Notice of Intent to Sell Land for less than fair market value and without a public offering to Edenwold Early Years & Youth Centre Incorporated: **Pursuant to Section 127 of *The Municipalities Act, 2005*, the Council of the Village of Edenwold gives notice to sell land for less than fair market value and without a public offering; 104 Chamberlain Street, Edenwold SK – please see the advertisement on the reverse of this page.**
A Public Hearing has been set to receive submissions, written or verbal, on the proposed sale of land at 7:30 p.m. (local time) on Monday, July 10th, 2023, in the Community Hall, 204 Brewer Street, Edenwold SK. The Council will preview a formal draft agreement reflecting the sale of the land.
- 2022 Audited Financial Statement has been received by Council and the Synopsis for ratepayers' is to be mailed out. The 2022 operating results show the municipality had an unfavourable difference between budget and actual of \$50,990 expenditures over revenue. This difference was primarily due to expenses over budget in the areas of recreation & cultural and utility services. The Village amortization expenses with the newer Rink roofing project and the new water pipeline project rose significantly. Many Saskatchewan municipalities faced adverse effects in their 2022 operating budgets following service provider increases and carbon tax increases early in that year. The Village office has copies of the complete Financial Statement for review (306-771-4121).

ATTN: Please be aware of a sewer leak just off the shoulder of the road near the 3rd Avenue 'Stop Sign' that faces east near the school. There is discoloration in the grass and the Village will be marking the area so the leak may be fixed. People/children walking pets should avoid off shoulder walking by that 'Stop Sign'.
