- **SNOW CLEARING**
Residents' pushing snow with bobcats are reminded to be respectful and mindful where they push the piles within the Village; as major snow events and freezing rain have occurred this winter making for an increase in street clearing village-wide.
- **PROPERTY ASSESSMENT Revaluation 2025**
Saskatchewan Assessment Management Agency (SAMA) next revaluation (every 4 years) is in 2025. Assessment notices will be issued to all property owners' with the Assessment Roll advertised open for sixty (60) days. More information to follow.

The Agency used a 2023 base date for the current revaluation. You can view property assessments on-line at www.sama.sk.ca.

Council, during the budget/mill rate deliberations, will adjust the uniform mill rate accordingly to minimize the impact of the overall levy. Changes in assessed value from on-going or completed building permits, or demolitions, will still result in individual increases or decreases in assessed value. Changes in relative valuations between different properties could also have an individual impact on assessments.
